Welcome to The World Digestive Health Congress

It is our great pleasure to welcome you, on behalf of the organizing committee, to the World Digestive Health Congress (WDHC 2024) which will be held during August 29-31, 2024 in Barcelona, Spain.

The WDHC 2024 offers in-depth scientific presentations by leading global experts, covering all aspects of gastroenterology & hepatology. Our three-day event will include state-of-the-art lectures, keynote sessions of leading experts, plenary talks and poster presentations of researchers and other academicians, workshop sessions, exhibition and B2B meetings conducted by leading companies leaving behind a memorable experience.

World renowned scientific experts in the field of gastroenterology & hepatology research from across the world have agreed to grace the conference. The world's leading faculty in this area will thus enrich this year's program.

**With Best Wishes,
The Organizing Team

Venue

Barcelona, Spain

Barcelona

Barcelona is an enchanting seaside city with boundless culture, fabled architecture and a world-class drinking and dining scene.

When visiting this great city, one must at least see one of the great masterpieces of GAUDI: the SAGRADA FAMILIA, CASA BATLLÓ or PARC GÜELL. But the football fans will go directly to visit the CAMP NOU, or to assist a FC BARCELONA MATCH . Others will prefer to stroll in the historic districts of the city. For families with children, the ZOO, POBLE ESPANYOL, or the AQUARIUM are preferred.
