Welcome to The World Surgery & Anesthesia Congress

It is our great pleasure to welcome you, on behalf of the organizing committee, to the World Surgery & Anesthesia Congress (WSAC 2024) which will be held during August 29-31, 2024 in Barcelona, Spain.

We are delighted to welcome all the experts from general surgery, surgical specialties, and anesthesia to join this three-day event which will provide excellent opportunity to exchange information and strengthen the collaboration among the attendees from both academia and industry. This program provides three days of robust discussions on recent advancements and new strategies in surgery & anesthesia.

World renowned scientific experts in the field of surgery & anesthesia from across the world have agreed to grace the conference. Internationally leading experts will join us to present and discuss their most recent data and achievements during this event. The world's leading faculty in this area will thus enrich this year's program.

**With Best Wishes,
The Organizing Team

Venue

Barcelona, Spain

Barcelona

Barcelona is an enchanting seaside city with boundless culture, fabled architecture and a world-class drinking and dining scene.

When visiting this great city, one must at least see one of the great masterpieces of GAUDI: the SAGRADA FAMILIA, CASA BATLLÓ or PARC GÜELL. But the football fans will go directly to visit the CAMP NOU, or to assist a FC BARCELONA MATCH . Others will prefer to stroll in the historic districts of the city. For families with children, the ZOO, POBLE ESPANYOL, or the AQUARIUM are preferred.
