Welcome to The International Urology Congress

It is our great pleasure to welcome you on behalf of the organizing committee to the webinar *International Urology Congress (IUC 2022)* which will be held virtually during *June 27-29, 2022*.

IUC 2022 covers all the aspects of urology and internationally leading urologists, endourologists, laparoscopists, surgeons, nurses, and other healthcare professionals will join us to present and discuss their most recent data and achievements during this event.

The safety and well-being of our attendees, their patients, and the public remain our primary concern. Therefore, in response to the continuing pandemic, IUC 2022 will take place in the safest possible environment. At this time, the congress activities are scheduled in a virtual format to reach all.

*With Best Wishes,
The Organizing Team
IUC 2022*
